This impressive Easter Tower certainly has the edge over a bog-standard chocolate egg. It does include a delicious large Salted Caramel Chocolate Easter egg of course (it wouldn't be Easter otherwise) - but we've also added a huge array of other goodies. With enough to share around the whole family you'll be impressed by the sheer variety of chocolates and treats crammed into this **42cm tall gift tower**; from medal-winning fudge, chocolate Brazils and chocolate coated marzipan to mini speckled Easter eggs, Sicilian lemon cookies and rich fruit cake. Delivered in seven carefully-stacked, re-usable purple gift boxes, the lucky recipient of this gift will be kept busy exploring what's in each one.
